Magnitude, Napoleon Solo and Knightsbridge give this race honest pace; Keeneland dirt routes favor pressers (55% this meet), which points to Forever Young and Knightsbridge.

Weighting Framework

Factor	Weight	Definition / Breeders' Cup Classic Context
Speed Fig	22%	Knightsbridge's 122 at Monmouth is the top recent Beyer, ahead of Magnitude's 114 and Sovereignty's 112 in the Whitney. Forever Young's 105 in the Gold Cup understates him — his trainer called it a 50% effort. The 3-year-olds (101-108) and T O Password (100) need a big step forward.
Distance (Stamina)	18%	Forever Young (Gold Cup, last year's Classic), Sovereignty (Belmont, Travers) and Knightsbridge (Pacific Classic) have all won at 1¼. Golden Tempo won the Belmont. Napoleon Solo is bred for shorter, and T O Password's best form is at a mile to 1700m.
Class	14%	Forever Young (Saudi Cup, last year's Classic) and Sovereignty (2025 Horse of the Year) are on top, followed by Dubai World Cup winner Magnitude. Golden Tempo has two classics; Knightsbridge is new to this level and T O Password has no graded win.
Pace Fit	13%	Magnitude needs the lead, and Napoleon Solo, Knightsbridge and T O Password all show speed, so the pace should be honest to fast. Pressers just off it — Forever Young and Knightsbridge — fit best. The two deep closers need the pace to collapse, which rarely happens at Keeneland.
Form	12%	Knightsbridge (two big wins in a row) and Forever Young (Gold Cup Sept. 18) are the sharpest. Sovereignty won the Whitney but missed 12 weeks with an abscess. Magnitude's 15¼-length Whitney loss and T O Password's G3 third rank lowest.
Post Position	8%	Ranked on how each run style fits its post; with a long run to the first turn and 8 starters, post matters less than usual. Forever Young (5) and Knightsbridge (7) can press from clean middle posts. Sovereignty (2) is most likely to get pinched behind speed, and Napoleon Solo (8) risks being stuck wide chasing Magnitude.
Track Bias	5%	Keeneland Fall 2025 dirt routes: Press 53%, Lead 24%, Mid 12%, Close 12%. Every Keeneland Classic winner (2015, 2020, 2022) was 1st or 2nd at every call. That rewards the pressers and the speed and hurts Golden Tempo and The Puma.
Connections	5%	Yahagi and Sakai are the defending winners with this horse. Mott runs two with Alvarado and Saez; Asmussen-Prat and Summers-Velazquez bring plenty of Breeders' Cup experience. DeVaux and Ortiz won two classics this year.
Pedigree	3%	Golden Tempo (Curlin over Bernardini) and Sovereignty (Into Mischief over Bernardini) are the best-bred for 10f; Bernardini is the damsire of four starters. Liam's Map over Scat Daddy and Copano Rickey over King Kamehameha are the weakest fits.

Pace Profile & Handicapping Notes

Horse	PP	Style	Trainer / Jockey	Analyst Notes
Forever Young (JPN)	5	Press	Yoshito Yahagi Ryusei Sakai	Defending Classic champion, never worse than 3rd in 16 starts. In 2026: won the Saudi Cup, 2nd by a length to Magnitude in Dubai, then won the JC Gold Cup by 3¼ in 2:01.23 (105 Beyer). He presses the pace — the style that has won every Keeneland Classic.
Knightsbridge	7	Lead	Bill Mott Luis Saez	8 wins from 12 starts. Won the Monmouth Cup by 10¼ (122 Beyer) and the Pacific Classic at 1¼ by 6¼ — the best current form in the race. A presser, which suits Keeneland, but this is his first Grade 1 against horses this good.
Sovereignty	2	Close	Bill Mott Junior Alvarado	2025 Horse of the Year (Derby, Belmont, Travers). This year: 2nd in the Oaklawn H., 3rd in the Foster, then won the Whitney by 4¾ (112 Beyer). A hind-foot abscess cost him the Gold Cup, so he comes in off 12 weeks; Mott liked his Oct. 18 work.
Magnitude	6	Lead	Steven Asmussen Flavien Prat	Went wire-to-wire to beat Forever Young in the Dubai World Cup and won the Foster (114 Beyer), but stumbled at the start and ran 6th in the Whitney, beaten 15¼. He needs the lead, and Napoleon Solo, Knightsbridge and T O Password all show early speed.
The Puma	4	Close	Gustavo Delgado Javier Castellano	Lightly raced 3yo, 2 wins from 7 starts. Won the Tampa Bay Derby, 2nd by a nose in the Florida Derby, and won the Pa. Derby by ½ over Further Ado. Top fig 108 and still improving, but untested at 1¼.
Napoleon Solo	8	Lead	Chad Summers John Velazquez	Won the Preakness by 1¼, then was 2nd by ½ on the lead in both the Haskell and the Travers. Top fig 103, and he has to go from post 8 while Magnitude also wants the front.
Golden Tempo	3	Close	Cherie DeVaux Jose Ortiz	Won the Kentucky Derby at 23-1 and the Belmont, then ran third as the Travers favourite, beaten 2¼. His top fig of 101 trails the older horses, and he is a deep closer on a surface where closers won 12% of routes.
T O Password	1	Press	Daisuke Takayanagi Kazushi Kimura	Japan-bred 5yo, 5 wins from 12 starts, \$858,627 earned. Fifth in the 2024 Kentucky Derby, won the Ahartek S. (1600m) by 4 lengths May 30, then third in the G3 Elm S. Aug. 8. Top fig 100, no graded win, off since August.

Connections — Trainer (65%) + Jockey (35%)

Horse	PP	Trainer	Jockey	Connections Notes
Forever Young (JPN)	5	Yoshito Yahagi	Ryusei Sakai	Yahagi and Sakai have been together for his whole career and won this race last year.
Sovereignty	2	Bill Mott	Junior Alvarado	Hall of Famer Mott keeps regular rider Alvarado; Godolphin runs two here.
Knightsbridge	7	Bill Mott	Luis Saez	Mott runs him with Sovereignty — Godolphin wants 'a better chance with two' — and Saez rides pressers aggressively.
Magnitude	6	Steven Asmussen	Flavien Prat	Asmussen is the all-time win leader and Prat is among the best riders in the country.
Golden Tempo	3	Cherie DeVaux	Jose Ortiz	DeVaux and Ortiz won two classics together this year; the colt trains over the Keeneland surface.
Napoleon Solo	8	Chad Summers	John Velazquez	Velazquez has the most Breeders' Cup wins of any rider; Summers trains for Espoir USA.
The Puma	4	Gustavo Delgado	Javier Castellano	Delgado has won the Derby; Hall of Famer Castellano suits a horse who settles mid-pack.
T O Password	1	Daisuke Takayanagi	Kazushi Kimura	Takayanagi and owner Tomoya Ozasa preferred the Dirt Mile; Kimura rode him in the 2024 Kentucky Derby.

Pedigree Analysis

Horse	Sire	Dam / Damsire	Grade	Pedigree Notes
Golden Tempo	Curlin	Carrumba (Bernardini)	A	Curlin over Bernardini is the best 1¼-mile pedigree in the field, as his Belmont win showed.
Sovereignty	Into Mischief	Crowned (Bernardini)	A	Into Mischief speed over a Bernardini dam is a proven 10f cross — he won the Belmont and the Travers.
The Puma	Essential Quality	Eve of War (Declaration of War)	B+	Essential Quality won the Belmont and Travers, and Declaration of War adds G1 class at 10f.
Forever Young (JPN)	Real Steel	Forever Darling (Congrats)	A-	Japanese stamina over American dirt speed; his 10f record around the world settles the distance.
Knightsbridge	Nyquist	Tyburn Brook (Bernardini)	B+	Nyquist leans speed, but the Bernardini dam and a 6¼-length Pacific Classic win show he handles 10f.
Magnitude	Not This Time	Rockadelic (Bernardini)	B+	Not This Time is a speed sire; the Bernardini dam gave him the stamina he showed in Dubai.
Napoleon Solo	Liam's Map	Atomic Blonde (Scat Daddy)	B-	Liam's Map over Scat Daddy is built for speed, so 1¼ is a stretch despite his close Travers.
T O Password	Copano Rickey	T O Rachel (King Kamehameha)	C+	Copano Rickey was a top Japanese dirt horse at a mile to 10f, but this colt's best form is at a mile to 1700m.

Ranked in Pedigree-factor order.

JWorm Racing Ranking

Rank	PP	Grade	Horse	ML	JWorm Analysis
1	5	A+	Forever Young (JPN)	2-1	He fits Keeneland best: a presser in a clean middle post with proven 1¼-mile class. Top pick — bet him to win and key him on top of exactas and trifectas over Knightsbridge and Sovereignty.
2	7	A	Knightsbridge	9-2	The best figure in the field and the right style for Keeneland — the main threat to Forever Young and the best value. Use him in the top two of exactas and trifectas; a saver win bet at 4-1 or better.
3	2	A-	Sovereignty	5-2	The most talent in the race, but a closer drawn inside on a pressers' track, off a layoff, has a lot to overcome. Use him in the top two of exactas and trifectas; bet him to win only at 3-1 or better.
4	6	B+	Magnitude	6-1	If he makes the lead without pressure he can win, as Dubai showed, but he faces other speed here. The wild card — use him 2nd and 3rd in trifectas, and to win only if his price drifts.
5	4	B	The Puma	10-1	His 108 is the best of the 3-year-olds, but he settles mid-pack on a pressers' track. Use him 3rd or 4th in trifectas and superfectas — a price underneath.
6	8	B-	Napoleon Solo	15-1	He adds pace pressure on Magnitude and likely fades late. Use him only 4th in superfectas.
7	3	C+	Golden Tempo	5-1	He will stay the trip, but his figures and deep-closing style don't fit Keeneland. A 3rd/4th-place horse for trifectas and superfectas; a hot pace is his only way to win.
8	1	C	T O Password	30-1	His figure is well below this field, he has no graded win, and his own connections wanted the Dirt Mile. Early speed from the rail helps a little, but he is a clear toss. Leave him off every ticket.
